

App.main

JConto.getEstratto

toString

```
graph LR; A[App.main] --> B[JConto.getEstratto]; B --> C[toString];
```

The diagram illustrates a sequence of three method calls in a horizontal flow. The first box, labeled 'App.main', is white with a black border. A blue arrow points from its right side to the second box, labeled 'JConto.getEstratto', which is also white with a black border. Another blue arrow points from the right side of the second box to the third box, labeled 'toString', which is gray with a black border.
